## **Beardsley Road Connector**

Work has begun on the Union Hills Drive interchange and Beardsley Connector. This project will improve Loop 101 freeway access between 75th Avenue and Union Hills Drive, reduce bottlenecks at the Union Hills Drive interchange and improve regional freeway access in the Northwest Valley.

The Arizona Department of Transportation, in conjunction with the project partner cities of Glendale and Peoria, will host a public open house Wednesday, January 13 to provide more information about the improvements and an opportunity for the community to meet with staff from ADOT, the cities and the construction team to address questions or concerns about the project or construction.

## **Community Meeting**

January 13, 2010  
Frontier Elementary School  
21258 N. 81st Ave., Peoria  
6 – 8 p.m.

For more information call the project hotline at (480) 890-3055, email [projectupdate@lewin-associates.com](mailto:projectupdate@lewin-associates.com) or visit the website at [www.ValleyFreeways.com](http://www.ValleyFreeways.com)

**2010 Dr. Martin Luther King, Jr. Unity Day Luncheon.** Seats are still available for the city of Glendale's 2010 Martin Luther King, Jr. Unity Day Luncheon, featuring Dr. Matthew C. Whitaker, Associate Professor at Arizona State University and the recipient of the 2009 Promoting Inclusiveness Award.

Each year, on the third Monday of January, the life and the ideals of Dr. Martin Luther King, Jr. are celebrated. Glendale's Diversity Committee honors this great man with a luncheon that acknowledges the value of diversity, the progress made toward freedom and equality for all people and continued efforts to strengthen communities across the nation. This year's theme, "Celebrating diversity in our communities—keeping the dream alive" pays tribute to Dr. King's legacy and the positive impact that it has had on our community.

Guests will hear from the keynote speaker, Dr. Whitaker, during the luncheon and the winner of Glendale's "2010 Promoting Inclusiveness Award" will be announced. In addition, a special video tribute featuring community members and city employees highlighting diversity in their lives will be played for attendees.

The luncheon is Friday Jan. 15th from 11:30 a.m. to 1:30 p.m. at the Glendale Civic Center, located at 5750 W. Glenn Drive. Reserved seats are \$40/person and \$400/table. For more information on purchasing a ticket, contact the Glendale Visitor Center at (623) 930-2955.

**Glitter & Glow Block Party, January 16.** Glendale Glitters goes out with a bang with its annual finale to the season, the Glitter and Glow Block Party on Jan. 16, from 4-10 p.m. with fun for the whole family including free admission and free parking!

Take in the stunning 1.5 million lights along with dozens of hot air balloons glowing softly amidst the trees throughout 12 blocks of Historic Downtown Glendale.

More than 75,000 people will stroll the sidewalks and watch tethered balloons gently expand as pilots fire them up, enjoying more than a dozen bands performing all genres of music, as well as vibrant street performers for a climactic finale to a festive season.

Free shuttles for attendees will be available from 3:30 until 11:30 p.m., from Glendale Community College, located at 59th and Olive avenues. Shuttle parking is located in the north campus parking lots, with entrance off of 59th Avenue.

Glendale's Glitter and Glow Block Party is sponsored by Kokopelli Winery, 3-TV KTVK, KMLE, KOOL, JAMZ, and The Arizona Republic. For more information, call our Special Events Hotline at (623) 930-2299. [Read more.](#)

**2010 Census.** Beginning in March 2010, the Census Bureau will mail questionnaires to all U.S. households, including those in Glendale. The Census form you will receive will be easy and will take less than 10 minutes to complete. Most important, federal law protects all of the information that you provide.

Why is important that you participate in the 2010 Census?

The U.S. Census is conducted once every ten years and helps establish each state's Congressional representation, determine funding for our city, and collects important information on how our community is changing. Returning your Census form will also ensure that Glendale gets its fair share of funds for services such as police and fire protection, hospitals, schools, parks, libraries, senior centers, roads, neighborhood improvements and local bus service.
